

1st HCTI/HSII Symposium: Latest Trends in Infection and Immunity Else Kröner Symposium

15th - 16th November 2023

Venue: Abaton Kino

November 15 2023	11:00-12:00	Arrival & Lunch/Snacks	All attendants
	12:00-12:10	Welcome remarks	HSII faculty
	Basic Immunology Session I Conventional and Unconventional T Cells Chairs: HSII faculty		
	12:10-13:00	T cell	Julie Ribot
	13:00-13:35	T cell	UKE Speaker
	13:35-14:00	T cell	Selected abstract
	14:00-14:30	Coffee break	All attendants
	Basic Immunology Session II Innate Immune and Antigen-Presenting Cells Chairs: HSII faculty		
	14:30-15:20	Non-T cell	Julia Jellusova
	15:20-15:55	Non-T cell	Regine Dress
	15:55-16:20	Non-T cell	Selected abstract
	Basic Immunology: Novel Methods New Technologies in Immunological Research Chairs: HSII faculty		
	16:20-17:10	E.g., Spatial RNAseq, optogenetic immunomodulation, organoids	Invited speaker
	17:20-19:00	poster session (Snacks and drinks)	All attendants
	19:00-21:30	Speakers dinner	Speakers

November 16 2023	Translational Immunology Session I Sex Differences in Immunity Chairs: HSII faculty		
	9:00-9:50	Sex differences in disease	Molly Ingersoll
	9:50-10:25	Sex differences in Immunity	Marcus Altfeld
	10:25-10:50	tba	Selected abstract
	10:50-11:10	Coffee break	All attendants
	Translational Immunology Session II The Immune System in Action Against Infection & Cancer Chairs: HSII faculty		
	11:10-12:00	Cancer and immunology	Kim Midwood
	12:00-12:30	Cancer and immunology	Nicola Gagliani
	12:30-13:00	tba	Selected abstract
	13:00-15:00	Lunch	All attendants
	Translational Immunology Session III Autoimmunity Chairs: HSII faculty		
	15:00-15:50	Autoimmunity	Petra Bacher
	15:50-16:20	Autoimmunity	Ulf Panzer
	16:20-16:50	tba	Selected abstract
	17:00-19:30	poster session (buffet dinner)	All attendants
	19:30-19:40	Closing remarks & 2 x awards for selected presentations and poster & Group photos	HSII faculty & All attendants
	20:00-23:00	Happy Immune Night (Social Evening)	All attendants
